The aim of education is to enable the human personality to grow to its full stature. We have a body, a mind and a spirit. Accordingly education aims at our physical, intellectual, spiritual and moral development. Games are a means of keeping the body healthy and fit. Physical fitness and freedom from all kinds of ailments are the desire and ambition of every human being. Indeed good health is the first condition of happiness in life. Those who play games generally maintain good health. Games are an excellent means of bodily exercise. Whether it is sophisticated games like hockey, football and tennis or simple games like Kabadi, they provide the much needed exercise to the body and thus keep the body healthy and strong. Players always have a better appetite and a better digestion than those who play no games or do exercises. Games not only make the body healthy and strong but also make it muscular.
