--	--	--

PART-IV Answer all the questions .		7x5=35
41 (a)	<p>Examine the Socio-economic causes for the rise of nationalism British in India:</p> <ul style="list-style-type: none"> • The British destroyed the traditional basis of Indian land system. • The British fixed the land revenue in cash, during the fall in prices and droughts or floods. • Agriculture was commercialized. • But there was no improvement in the lives of the peasants. • The British Government pursued a policy of free trade or laissez faire. • As a result India became a Purchase area for the raw material such like cotton, jute and silks. • Gradually Indian handloom products and handicrafts lost their market. • The British extended their policy of non-intervention (laissez faire) even to famines. • As a result, millions of people died of starvation during the famines. <p style="text-align: right;">(Any Five Points)</p> <p style="text-align: center;">(OR)</p>	5
41 (b)	<p>The important provisions of Lucknow Pact:</p> <ul style="list-style-type: none"> • Provinces should be freed as much as possible from Central control in administration and finance. • Four-fifths of the Central and Provincial Legislative Councils should be elected, and one-fifth to be nominated. • Four-fifths of the provincial and central legislatures were to be elected on the franchise. • Half the executive council members were to be Indians elected by the councils themselves. • The Congress also agreed to separate electorates for Muslims in provincial council elections. 	5

	<ul style="list-style-type: none"> • It agreed to give some seats to Hindu and Sikh minorities • The Governments, Central and Provincial, should be bound to act in accordance with resolutions passed by their Legislative Councils. • The resolution was passed again after an interval of not less than one year; it should be put into effect. • The relations of the Secretary of State with the Government of India should have an equal status with that of the Dominions in any body concerned with imperial affairs. • The Lucknow pact paved the way for Hindu-Muslim unity and the liberation movement. <p style="text-align: right;">(Any Five Points)</p>	
42 (a)	<p>The role played by V.O. Chidambaram in Indian National Movement:</p> <p>V.O.C. and Swadeshi Steam Navigation Company</p> <ul style="list-style-type: none"> • In 1906 V.O. Chidambaram mooted the idea of launching a swadeshi shipping venture • That is in opposition to the monopoly of the British in navigation through the coast. • V.O.C. purchased two steamships, S.S. Gallia and S.S. Lawoe. • He attended the session of the Indian National Congress at Surat, addressed meetings almost on a daily basis at the beach in Tuticorin. <p>The Coral Mill Strike</p> <ul style="list-style-type: none"> • In 1908, the abject working and living conditions of the Coral Mill workers attracted the attention of V.O.C and Siva • In the next few days, both the leaders addressed the mill workers. • In March 1908, the workers of the Coral Cotton Mills, inspired by the address went on strike. • The leaders were prohibited from holding any meetings in Tuticorin. <p>Arrest and imprisonment of V.O.C. and Subramania Siva</p> <ul style="list-style-type: none"> • On March, 1907, Bipin Chandra Pal was released from prison, the Swadeshi leaders planned to celebrate the day of his release as “Swarajiya Day” • V.O.C., Subramania Siva were arrested on March 12, 1908, on charges of sedition. • Siva was awarded a sentence of 10 years of transportation for his seditious speech whereas V.O.C. got a life term (20 years) for abetting him. • V.O.C. was given another life sentence for his own seditious speech. <p style="text-align: right;">(Any two points for each heading)</p> <p style="text-align: center;">(OR)</p>	5

42 (b)	<p>The industrial development in colonial India during 1919-1939:</p> <ul style="list-style-type: none"> • The inter-war period registered growth in Indian manufacturing industries was far better than Britain and world average. • After a short slug in 1923–24, the output of textile industry began to pick up. • During the interwar period, the number of looms and spindles increased considerably. • In 1929–30, 44 per cent of the total amount of cotton piece goods consumed in India came from outside, • But by 1933–34, after the Great Depression, the proportion had fallen to 20.5 percent. • Other two industries which registered impressive growth were sugar and cement. • The Interwar years saw a growth in the shipping industry too • The Scindia Steam Navigation Company Limited (1919) was the pioneer. In 1939, they even took over the Bombay Steam Navigation Company Ltd., a British concern • A new phase of production began with the Second World War, which led to the extension of manufacturing industries to machineries, aircrafts, locomotives, and so on <p style="text-align: right;">(Any five points)</p>	5
43 (a)	<p>The divide and rule policy of the British impact on Indian nationalism:</p> <ul style="list-style-type: none"> • The object of the British was to check development of a composite Indian identity. • To forestall attempts at consolidation and unification of Indians. • Separate electorates were distributed as part of the policy of divide and rule. • The announcement of separate electorates, the principle of “divide and rule” into a formal constitutional arrangement. • The consequence of such sectarian approaches followed by all parties led to increasing animosity. • As a result, In North India enmity between Hindus and Muslims grew. • The last decades of the nineteenth century was marked by a number of Hindu–Muslim riots. • In July 1882, the Great Depression took place in Salem South India. • The idea of Hindu nationalism and Muslim nationalism led to division • Congress lost its strength due to breakdown of Hindu- Muslim unity <p style="text-align: right;">(Any five points)</p> <p style="text-align: center;">(OR)</p>	5

43 (b)	<p>The role of Mahathma Gandhi in the Indian Freedom Struggle:</p> <ul style="list-style-type: none"> • In 1919 he supported the khilafat movement and participated in its conferences. • Gandhiji strongly condemned the Jallianwala Bagh massacre in 1919. • In 1920 he started non-cooperation movement with Hindu Muslim support • He returned the titles and awards given by the British Government. • In 1922, the chauri chaura incident led to the withdrawal of the non-cooperation movement. • In 1930, he started the Anti-Legal Movement against the government's imposition of tax on salt. • In 1930, he went on a 375 km pilgrimage to Dandi • He took salt in violation of the law. • In 1931 Gandhi-Irwin pact freed Indians from prison • In 1931, he participated on behalf of the congress in the Second Round Table Conference. • He fasted till death against communal award • In 1932 Poona Pact was signed between Ambedkar and Gandhi • In 1942, gandhi rejected the Cripps proposal, and started the Quit India Movement <p style="text-align: right;">.(Any five points)</p>	5
44 (a)	<p>The different stages in the reorganization of Indian States from 1920 to 1956:</p> <ul style="list-style-type: none"> • The idea of linguistic reorganization of states was integral to the national movement, since 1920. • In 1928, the Nehru Report also said "The redistribution of provinces should take place on a linguistic basis on the demand • In 1946, Pattabhi Sitaramayya raised the demand for an Andhra Province in Constituent Assembly. • In 1948, Chairman Rajendra Prasad set up a 3-member commission for this demand. • The idea of linguistic states revived soon after the first general elections. • Potti Sriramulu's started fast demanding a separate state of Andhra and he was died in 1952. • This led to the constitution of the States Reorganisation Commission under the leadership of Fasli Ali. • Based on the report of the Committee, the States have enacted the Reorganisation Act (1956) and the linguistic States were constituted. <p style="text-align: right;">(Any five points)</p> <p style="text-align: center;">(OR)</p>	5

44 (b)	<p>The development of institutions of scientific research and technology after India's Independence:</p> <ul style="list-style-type: none"> • The Tata Institute of Fundamental Research (TIFR) was set up in 1945 on the initiative of Homi J.Bhabha, • It was intended to promote research in mathematics and pure sciences. • The National Chemical Laboratory, Pune and the National Physics Laboratory, New Delhi were set up in India . • The Council of Scientific and Industrial Research (CSIR) is the umbrella organisation, under which most of the scientific research institutions function. • The CSIR also advances research in applied fields like machinery, drugs, planes etc. • The Atomic Energy Commission is the nodal agency for the development of nuclear science. • The Indian Council of Agricultural Research (ICAR) is the coordinating agency for the research in basic agriculture. • Indian Institutes of Technology (IITs) were set up as centres of excellence in different fields of engineering. • The first IIT was located in Kharagpur, followed by Delhi, Bombay, Kanpur and Madras <p style="text-align: right;">(Any Five points)</p>	5
45 (a)	<p>The French Revolution:</p> <p>Conditions of Peasantry</p> <ul style="list-style-type: none"> • The peasantry made up the bulk of French society The peasants were serfs. • They had to work certain days in the week for their lords without any remuneration. • It has been estimated that the peasant paid eighty percent of his earnings to various tax collectors. <p>Three Estates :</p> <ul style="list-style-type: none"> • Clergy, Nobility , and the commoners. • The clergy and the nobility were exempted from various taxes. • only the third estate bore the brunt of taxation. • The important taxes were tithe, a tax exclusively collected by the church on the laity, Taille, a tax paid by the peasants, gabelle salt tax, and tax on tobacco. 	5

	<p>Financial Bankruptcy</p> <ul style="list-style-type: none"> • France was in constant war with neighbouring British Empire that proved to be too costly for the exchequer. • The government had to pay high interests on the loan. In order to settle the dues, the government imposed more taxes on the common people. <p>Role of Intellectuals</p> <ul style="list-style-type: none"> • Intellectuals played a key role in preparing the soil for the outbreak of the French Revolution. • The writings of Voltaire and Rousseau acted as an impetus to the revolution. • Montesquieu , argued for the division of power among the legislative, executive and judiciary. • Rousseau , argued that the relationship between the rulers and ruled should be bound by a contract. <p style="text-align: right;">(Any two points for each heading)</p> <p style="text-align: center;">(OR)</p>	
45 (b)	<p>Common features:</p> <ul style="list-style-type: none"> • Germany suffered defeat in both world wars. • Millions of people were killed in both world wars. • The League of Nations was established at the end of The First World War and the United Nations Organization established at the end of World War II for world peace. • In both wars, the United States Involved to war a few years later. • At the end of the two wars, the economy suffered greatly. <p>Varying features:</p> <ul style="list-style-type: none"> • Japan, which was on the allied front in The First World War, fought from the Axis countries in World War II. • The League of Nations, which was established at the end of the First World War, was defeated. • But the United Nations Organizations, which was created at the end of World War II, is still successful today. • Heavy treaties were imposed on the countries that had failed in the First World War. • But at the end of The Second World War, no such treaties were imposed. • At the end of The First World War, Britain and France emerged as the dominant powers of the world, At the end of The Second World War, the United States and Soviet Russia emerged. <p style="text-align: right;">(Any three points for each heading)</p>	5

46 (a)	<p>The seeds for the Second World War were sowed in the Treaty of Versailles- Reasons:</p> <ul style="list-style-type: none"> • At the end of World War I, strict regulations were imposed on Germany. • Colonies were taken away from Germany. • Army size was reduced. • Alsace forced Lorraine to cede to France. • France was forced to suspend temporary works in the Charlemagne. • Industrial Silesia was given to Poland. Surrendered. • War reparations of 6600 million pounds were told to Germany. • A wave of injustice was created within Germany. • It subsequently paved the way for the political victory of the Nazi Party in Germany. • The small republic of Austria was separated from Germany. • Italy suffered because it was given to Dalmatia. <p style="text-align: right;">(Any Five Points)</p> <p style="text-align: center;">(OR)</p>	5
46 (b)		5

47 (a)	<p>The political career of Boris Yeltsin, his role in the collapse of Soviet Union:</p> <ul style="list-style-type: none">• Boris Yeltsin joined the Communist Party in 1961.• Yeltsin became a full-time worker in the party in 1968.• In the seventies he emerged as a popular figure• After Gorbachev came to power, he chose Yeltsin (1985) to eliminate corruption in the Moscow party organization.• In 1986 Yeltsin was elevated to the Politburo (the highest policy making body of the Soviet Union).• Soon he was made the mayor of Moscow.• Yeltsin antagonised Gorbachev when he began criticising the slow pace of reform at party meetings.• His popularity with the people grew as he advocated democratisation of governance and economic reform.• He succeeded in winning a seat in the USSR Congress of People's Deputies (the new Soviet Parliament) in March 1989.• A year later, on May 29, 1990, the Soviet parliament elected him president of the Russian republic against Gorbachev's wishes.• He became the first popularly elected leader in 1991, after the collapse of Soviet Union. <p>(Any Five points)</p>	5
