### **ORDER:**

The Government issued Orders in the Government Order second read above, for fixing the Inter-se-merit, in cases where more than one student have got the same marks in the common merit list, as specified below:

- I. **Percentage of marks in Mathematics.**
- II. **Percentage of marks in Physics.**
- III. **Percentage of marks in the optional subject.**
- IV. **Percentage of total marks in the qualifying examination.**
- V. **Percentage of total marks in X standard examination.**
- VI. **Date of birth**
- VII. **Random number assigned.**

2. The Director of Technical Education in her letter dated third read above has stated that during the academic years 2021-22 due to the Covid-19 pandemic in Tamil Nadu, the School Education Department cancelled the class 10<sup>th</sup> Board Exams and promoted the students to the 11<sup>th</sup> standard. The 10<sup>th</sup> mark sheet for the above years does not have specific marks but only has the pass declaration details. Therefore, it is not possible to determine the inter-se-merit with "percentage of total marks in X standard examination" as mentioned in point No.(v) of Government Order referred above

during Tamil Nadu Engineering Admissions from this academic year 2023 – 24 onwards. Hence, for the welfare of the students she has requested to remove the “point No. (v) Percentage of total marks in X standard examination” and issue necessary amendment orders to the Government order second read above for determination of inter-se-merit as given below:

**“Determination of Inter-se-merit:-** In cases where more than one student have got the same marks in the common merit list, the inter-se-merit among such students shall be determined in the order of priority as specified below:-

- I. Percentage of marks in Mathematics.
- II. Percentage of marks in Physics.
- III. Percentage of marks in the optional subject.
- IV. Percentage of total marks in the qualifying examination.
- V. Date of birth
- VI. Random number assigned.”

3. The Government after careful examination have decided to accept the request of the Director of Technical Education in para 2 above and accordingly direct that, for the academic year 2023-24, the determination of inter-se-merit in Tamil Nadu Engineering Admission shall be done by the rule as specified below:

**“Determination of Inter-se-merit:-** In cases where more than one student have got the same marks in the common merit list, the inter-se-merit among such students shall be determined in the order of priority as specified below:-

- i. Percentage of marks in Mathematics.
- ii. Percentage of marks in Physics.
- iii. Percentage of marks in the optional subject.
- iv. Percentage of total marks in the qualifying examination.
- v. Date of birth
- vi. Random number assigned.”
