### 25) a) Make notes of the following passage:

Women education is very important for the proper social and economic growth of the country. Both men and women are like two sides of the coin and run equally like two wheels of the society. Hence both are important elements for the growth and development of the country. Thus they require equal opportunity for education. If anyone is neglected social progress is not possible. The female education in India is highly necessary for the future of the country as women are the first teachers of their children, the future citizen of the nation. If education of women is ignored, it would be a deterrent to the bright future of the nation. An uneducated women cannot handle the family, give proper care for the children and thus cannot guide the future generation. An educated women may easily handle her family, make each family member responsible, infuse good qualities in children, and participate in social work. All these would lead towards a socially and economically healthy nation. By educating a man, only a man can be educated however by educating women, a Kirkly send me your study materials to padasalai.net@gmail.com

society. So women should have full rights for education and should not be treated as inferior to men. India is now a leading country in the field of women education. History of India is replete with brave women philosphers like Gargi, Vishwabara, Maritreyi and other famous women like Mirabai, Durgabeti, Ahalyabai, Laxmibai etc. All the famous historical women in India are the inspiration for the women of this age. We should never forget their contributions to the society and country.
