Jack and Jill – things in installments – Aunt Jane visited – preached – ease and comfort of buying – first baby in installment.

44. Write a summary (or) make notes of the following passage:

Family is where we all belong to and form where our identify comes from. A person is valued based on his family and upbringing. Family is a bond, a long lasting relationship that holds a bond with each other. There are many values that one has to learn to get the family bonding in the right manner. Bonding does not happen overnight. It forms with every second, every minute that you spend with your loved ones. The understanding, the acceptance, the belonging and the security all enclosed together is how a family bond is formed. A close family bond is like a safe harbour, where we feel secure and where we thrust that we have someone always there to whom we could turn to when we need them most. It is through a family that we learn the values of love, trust, hope, belief, culture, morals. A strong foundation for any individual comes from supportive family.
