Ignorance is always bliss it is always folly to be wise. The whole world belongs to them. The wise look after themselves. They just enjoy their life. If a goat does not know of its death, it can enjoy while it lives. Happily a goat is not aware of the coming doom. A fool is that. He does not know what is going to happen. He just does not care to know. A wise fellow knows too much. He worries himself to death. Knowledge is too heavy for him. A fool endures what he cannot cure. A wise man does not. He dies in an effort to cure himself. The very medicine becomes a malady for him.
