Questions :

1. Please provide an assessment of the extent and nature of caste-based discrimination that has been observed in schools across Tamil Nadu over the past decade? Are there any specific instances or patterns of caste discrimination that have been documented, and what measures have been taken to address them?

2. What efforts, policies, or programs have been initiated by the Directorate of School Education or other relevant authorities in Tamil Nadu to combat caste discrimination in schools from 2013 to the present day? Have there been any significant changes in the strategies or approaches used to tackle this issue during this period?

3. How is the Directorate of School Education monitoring and assessing incidents of caste-based discrimination in schools? Are there established reporting mechanisms for students, parents, or teachers to report such incidents? Has there been an increase in reporting of caste discrimination cases in recent years, and how are these cases being addressed?

4. Has the school curriculum been modified or updated to include topics related to caste discrimination, social equality, and inclusion? If so, could you provide information on these changes?

5. Are there any awareness programs or initiatives aimed at promoting tolerance, diversity, and inclusivity within the school environment?

6. Has the Directorate of School Education collaborated with civil society organizations or NGOs to address caste discrimination in schools? If yes, what has been the impact of these partnerships? Are there any plans to strengthen collaboration with external organizations to further combat this issue?

7. Is there any available data or research studies that analyze the effectiveness of efforts to counter caste discrimination in Tamil Nadu's schools over the past decade? Have there been any notable findings or insights from such studies?
