   Trust is one of the most important things anyone can have in a relationship because trust is what makes the foundation of relationship. Without trust there is no relationship at all because everything you do or make of the relationship will be based on truth. Trust is a very rare thing to find and if you are able to give it in return, your life is so much better and most fulfilling for everyone involved.

   Questions :
   1) Define trust.
   2) Why is there no relationshiop without trust?
   3) What will happen if you return truth to others?
   4) Is trust very important?

   (OR)

   Read the following poem and answer the questions given below.

   I took a piece of plastic clay
   And idly fashioned it one day
   And as my fingers poressed it still
   It moved and yielded to my will
   I came again when days were passed
   That bit of clay was hard at last,
   The form I gave it still it bore
   And I could change that form no more.

   Questions :
   1) What did the poet take?
   2) What happened when the poet pressed it?
   3) How was the clay when he came after few days?
   4) Can the poet change the form of the clay?
