44. Make notes or summarise the following passage.

a) Women education is very important for the proper Social and economic growth of the country. Both men and women are like two sides of the coin and run equally like two wheels of the society. Hence both are important element in the growth and development of the country. Thus, they require equal opportunity for education. If anyone is neglected, Social progress is not possible. The female education in India is highly necessary for the future of the country as women are the first teachers of their children, the future of the nation. If the education of the women is ignored, it would be a deterrent of bright future of the nation. An educated women can handle the family, give proper care for children and they can guide the future generation.

An educated woman may easily handle her family, make each family member responsible, infuse good qualities in children, and participate in social works. All these would lead her towards the

socially and economically healthy nation. India is now a leading country in the field of women education. History of India is replete with brave women philosophers like Gargi, Viswabara, Maitreyi (of Vedic age) and other famous women are like Mirbai, Durgabai, Ahalyabi, Laxmibai etc. All the famous historical women in India are inspiration for the women of this age. We should never forget their contributions to the society and country.
