When things go wrong as they somethings will;  
When the road you're trudging seems all uphill;  
When the funds are low, and the debts are high;  
And you want to smile, but you have to sigh;  
When care is pressing you down a bit  
Rest if you must, but don't you quit  
Success is failure turned inside out;  
The silver tint of the clouds of doubt;  
And you can never tell how close you are;  
It may be near when it seems afar.  
So stick to the fight when you're hardest hit  
It's when things go wrong that you mustn't quit.
