The ancient Egyptians honoured gold. Gold is not only beautiful, but indestructible. It is easy to work with an ounce of gold can be stretched into 50 miles long wire. It is important in the modern electronics industry. But man's longing for gold can be destructive as it has brought out the worst in human character Great Britain was the first country to adopt the gold standard. 75 per cent of gold goes into jewellery as middle class people have no faith in paper money George Bernard show advised to note for gold.</p>	1. cvz – civilization	2. sig – significant	3. sq. – square	4. imp. – important	5. char – character	6. pnds – pounds	7. mth – month	8. cent - century
