26. (a) Make notes or summarize the following passage.

Dictionaries are simply the books which consist of many English words along with its meaning and the way the words are used. It is used by many people who love to speak the language of English in a better way. These dictionaries can be used for improving the vocabulary of a person. Let us see the importance of dictionaries. The dictionaries have numerous words, ranging from simple words which common people can understand to complex, new words which we may have never heard. It can be used in order to get better in the usage of words. They are useful because they are up-to-date with the words and the meanings of the words they have. Dictionaries help in communication, understanding English better and so on. These can also be used to see the correct spelling for words such as 'receive' (which is misunderstood as 'recieve'), 'spelled' (which is misunderstood as 'spelt'), and so on. They are also used for finding new words and the usage in the noun form, adverb form etc. The dictionaries have the actual correct meaning of every word you can find. Overall, dictionaries are reliable. Therefore, we must appreciate people to use the dictionaries as a part of everyday life. Not only for English, there are dictionaries for other languages as well. Common people must use the dictionaries according to the language in which they want to get better in. Apart from languages, dictionaries are a very important aspect of learning and it must be used for the good purpose of improving the language. **OR**
