e) The mother dropped the small twigs as markers on the way to help her son return.

38. Read the following passage and answer the given questions. Francis Bennett went on into the reporters' room. His fifteen hundred reporters, placed before an equal number of telephones, were passing on to subscribers the news which had come in during the night from the four quarters of the earth. In addition to his telephone, each reporter has in front of him a series of commutators, which allow him to get into communication with this or that telephotic line. Thus the subscribers have not only the story but the sight of these events. Francis Bennett questioned one of the ten astronomical reporters - a service which was growing because of the recent discoveries in the stellar world.

Questions

a) How many telephones were there in reporters' room?

b) What did the reporter have in addition to his telephone?

c) How many Astronomical reporters were employed?

d) Which service was growing recently?

e) Are you interested in astronomical discoveries of the present?

Section - IV

Answer any FOUR of the following.

39. Prepare an attractive advertisement using the hint.

Toys - colourful - Beautiful - ecofriendly - non-toxic - handy - buy one get one - discount - 10% - No. 3, kaveri street, Sathur.

40. Yor are Babu. Write a letter to the editor of a leading newspaper requesting for new

subscription of daily to your address.

41. You are Yuvarani / Yuvaraja the student pupil leader of PVM GHSS, Chakkaramallur. Your headmaster asked you to prepare a notice for English Literary Club which is going to be held on 25th next month.

42. Look at the following picture and express your view.

43. Make a note or write a summary of the following passage.

Drug use is dangerous. It can harm your brain and body, sometimes permanently. It can hurt the people around you, including friends, families, kids, and unborn babies. Drug use can also lead to addiction. Drug addiction is a chronic brain disease. It causes a person to take drugs repeatedly, despite the harm they cause. Repeated drug use can change the brain and lead to addiction. The brain changes from addiction can be

 $1 \times 5 = 5$ 

X English lasting, so drug addiction is considered a "relapsing" disease. This means that people in recovery are at risk for taking drugs again, even after years of not taking them. Not everyone who uses drugs becomes addicted, Everyone's bodies and brains are different, so their regulators to drugs can also be different. so their reactions to drugs can also be different. Some people may become addicted quickly, or it may happen over time. Other people never become addicted. Whether or not someone becomes addicted depends on many factors. They include genetic, environmental, and developmental factors.

- word) How long did it take to complete the project?
  - d) What was the role of the Government of Tamil Nadu in this project?
- b) Read the following poem and answer the questions given below.

As we rush, as we rush in the train,

The trees and the houses go wheeling back, But the starry heavens above the plain Come flying on our track.

All the beautiful stars of the sky, The silver doves of the forest of Night. Over the dull earth swarm and fly, Companions of our flight.

We will rush ever on without fear; Let the goal be far, the flight be fleet! For we carry the Heavens with us, dear, While the earth slips from our feet!

Questions:

a) What happens to the trees and houses when the train speeds?

b) How do the sky and star move then?

c) How are the stars and night described?

d) How does the poet deal with the Heavens and earth, during the journey?
