Drug abuse poses a significant threat to the future of our youth. In Tamil Nadu, Schools play a crucial role in spreading awareness about the dangers of drugs. Students must understand that drug addiction not only harms their health, but also, ruins their dreams and relationships. It weakens both the body and mind, leading to loss of focus in studies and career goals. Awareness programs in schools educate children about the harmful effects of substances like tobacco, alcohol and narcotics. Through seminars, rallies, and interactive sessions, students learn to say no to peer pressure and make informed decisions. Parents and teachers must work together to create a supportive environment for children. By promoting healthy habits and life skills, we can protect students from falling into the trap of drug abuse. Together, let us build a drug free Tamil Nadu and empower our children to lead successful, happy lives.
