(iv) It started rain	ning we could not play.	(000 % 00.10.0)

47. (a) Read the following passage and answer the questions in your own words.

Some people think that the aim of education is merely to give knowledge. These people want students to read books and do nothing else, but to add their knowledge. Others believe that knowledge alone is not enough. Only that which enables a man to earn his living can be called education. Such people think that bread is more important than anything else. Still others believe that education should aim at good citizens and making good. As a matter of fact, true education should aim at all these three things together. It should give men knowledge, make them self reliant and able to serve others. Education should produce citizens who love their own freedom and freedom of others.

(i) What do some people think to be the aim of education?

(ii) What do others think about it? Why?

(iii) What do still others think?

(iv) What is the true aim of education?

(v) What kind of citizens should education produce? (OR)

(b) Build a dialogue with a minimum of 5 exchanges between a two friends about the necessity of Tree Planting.
